

## Training center «Networking Technologies» at TechExpert

### How to find us:

You can reach our Training center by taking any trolleybus or minibus from the subway “Shulyavskaya”/ “Dorozhychi” and get off at Degtyarevskaya Str.

The #14, #15 trams, bus #9 or minibus #14, 417 run from the subway “Beresteyskaya” or “Lukyanovskaya” (depends on where you’re going from). The stop is on Oleny Teligi Str.

From the Central Railway Station take the tram #15 and get off at Oleny Teligi Str. If you’re going from the South Railway Station then take a minibus #223, get off at Degtyarevskaya Str.

Our center is located in the seven-story building on the 4th floor.

### During breaks:

Training center provides attendees with refreshments during breaks and a lunch. Refreshments consist of a selection of hot drinks and cookies, lunches for the students in a café that is situated on the ground floor in the same building.

There is an opportunity to relax and play tennis or Microsoft Xbox 360 Kinect (with sensor) during breaks or after classes.

### Internet access:

Every computer has an internet connection on it for comfortable and productive studying during training course. Training center offers free, unlimited Wi-Fi for students.
